

*(This reviewer guidelines is for comments to the editorial board only)*

Dear \_\_\_\_\_

I would like to ask you to review the manuscript \_\_\_\_\_

Please, consider the following questions and give the answer "Yes" or "No":

- |   | Yes                      | No                       |
|---|--------------------------|--------------------------|
| 1. Are the results original?                        | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Are the methods adequate?                        | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Whether the analysis corresponds to conclusions? | <input type="checkbox"/> | <input type="checkbox"/> |

Please, indicate opinion:

- Accept without change;
- Accept after taking into account the comments of the reviewer;
- Reject or add new factual material;
- Reject due to the fact that the article does not correspond to the profile of the journal;
- Reject due to the fact that the article contains already known facts.

Please, provide the authors with comments intended to improve the article (on the next page).
