Theory and Practice of Public Administration : Collection of Scientific Works. –
Kharkiv : Publisher of KRI NAPA “Magistr”, 2019. – Issue 2 (65). – 284 p.

The scientific publication papers, grouped together under five headings, are devoted to the problem issues of public administration system development, state regulation of economic and social development processes, directions of reforming the local self-government system in Ukraine, foreign policy and national security issues.

For scientists, researchers, public servants, local officials, and for everyone interested in modern problems of public administration.

Collection of scientific works is included in the list of scientific specialized editions of
Ukraine on Public Administration
(order DES of Ukraine of 13 July 2015 number 747).

Since 2017 collection has been indexed by
Index Copernicus International (ICV 2017:46.08)
